

A photograph of a brick building at dusk. The word "INNOVATE" is displayed in large, illuminated, white letters on the building's facade. The building has a modern design with large windows and a prominent brick section. A flowering tree with white blossoms is in the foreground on the right. The sky is a deep blue, and the interior lights of the building are visible through the windows.

I have caught a vision in the village.

The old Mutual Furniture Buildings on the main drag in the Village is going to go up for sale.
